

HOU MENGHOR

WEB DEVELOPER

PROFILE

A Computer Science graduate from the Royal University of Phnom Penh (RUPP) with a passion for web development. Experienced with HTML, CSS, Bootstrap, JavaScript, PHP, Laravel, VueJS, NuxtJs, ReactJS, PostgreSQL, MySQL, Git and Github. Demonstrated ability to build responsive and user-friendly websites through hands-on projects. My dream is to become a professional web developer, and I am fully committed to continuous learning and hard work to achieve this goal.
